Taste of Kanchanaburi (One-day Tour)/ JB 009
(Erawan National Park, Srinakarin Lake, Train Ride on the Death Railway)

> With its natural beauty, Erawan ranks the first top of Kanchanaburi waterfalls and has drawn thousands of visitors each day. Next to Erawan waterfalls, the Sri Nakharin Lake has also been attractive to passers-by due to a stunning view it provides. This full-day trip is excellent for those who want to have a relaxed short break in the peaceful and natural surroundings closed to the town.

0800 Depart Hotel in Kanchanaburi by A/C Van for Sri Nakharin Lake.

0900 Upon arrival, enjoy coffee break and a fantastic view of the reservoir. Then continue a journey to Erawan National Park.

0945 Upon arrival start to trek along the nature trail up to the waterfall with its splendid surrounding. Glimpes of wild monkeys and birds, appreciate the patterns and shapes of the tropical forest with its various formations, particularly the stunning big trees believed to be protected by the tree spirit. Then enjoy relaxing and swimming in its emerald-coloured pools.

1200 After lunch, continue to Wang Po Train station.

1330 Catch the train along the histoical Death Railway. Be impressed with the stunning view while passing Tham Krasae Bridge, overlooking the spiritual River Kwai.

1630 Reach the Bridge on the River Kwai and transfer to Hotel.
