

Tiger Sanctuary Temple – Wildlife Extreme / Half Day Tour / TTH 027

Itinerary

- 1400 Depart the accommodation for Tiger temple.
- 1440 Arrive **the Tiger Temple**, which is well reported by many international and local media for its challenging “**Tiger Conservation Project**”. Most of these rescued tigers are well taken cared of by the buddhist monks and their followers led by the abbot **Phra Acharn Phoosit Khantidharo** who also works in collaboration with some other organisations to run the newly established tiger conservation project. It is really amazing to observe the Buddhist monk walks the tigers around before letting the tigers enjoy themselves in the pound. **Precaution:** While observing the tiger’s walk for exercise, please follow the instructions and advises given by the sanctuary keepers and local guides.
- 1620 Return to the accommodation.
- 1700 Arrive the accommodation.
