

Thai Village Stay 2D1N / **TTH113**

An Insight into a traditional rice farming village

Day 1 Thai Village Tour 1- Thai cooking – Overnight stay with local family

- 0900 Pick up from Kanchanaburi and proceed to a traditional Thai farming village of Nong Khao.
0915 Upon arrival, continue to a local Thai family. This single family lives in a contemporary Thai-styled house on the edge of the village, with canal in the front, with rice paddy field at the back.
0945 Village orientation by walking or cycling around.
1200 Thai lunch at a local restaurant.
1330 Getting around the village with the host family members. Enjoy a slow pace of life while going along with local people; learn and share topic of interests, take part in local activities or community services, if any, as it goes. Key word: go with the rhythm.
1600 Return to the accommodation.
1730 Learn with the local family **how to cook simple dishes of Thai cuisine.**
1830 Enjoy Thai dinner.
2000 Learn how to dance in a traditional Thai way, if desired.
Overnight stay with the local family (basic accommodation).

Day 2 Early walk follow monks - Thai Village tour 2

- 0530 Wake up early and proceed to the village temple, then follow the monks for food offering around the village. Glimpses of morning life & local lifestyle of those in the rice farming community.
0730 Thai breakfast at a typical shop.
0830 Start Thai village biking, visiting the rice paddy field, fan palm orchard etc. Learn about cultural and traditional practices related to rice cultivation.
1030 Return to the house. Check out and return to Kanchanaburi town. **End of the service.**
